

How To Check the Status of Your Claim

You can check the status of your claim in your MiWAM account.

From your My Account tab you can see the type of claim you have; regular Unemployment Insurance (UI), Pandemic Unemployment Assistance (PUA), or Pandemic Emergency Unemployment Compensation (PEUC).

You can also see if there is additional action you need to take under Account Alerts. Account Alerts will tell you when to report, if you have benefits you need to certify, or if additional fact finding is needed. You may also find the link to file for the PUA Application.

NOTICE OF FEDERAL PANDEMIC UNEMPLOYMENT COMPENSATION

The Unemployment Insurance Agency records show you recently established a claim for unemployment benefits. This notice is to advise you that an addition to your weekly benefit amount, you are also entitled to receive an additional \$600 per week in Federal Pandemic Unemployment Compensation (FPUC). The additional \$600 is payable as part of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act and will be paid along with your weekly benefit entitlement. FPUC payments are payable for the weeks ending April 4, 2020 through the week ending July 25, 2020. The additional \$600 per week will end when your benefit entitlement expires or the week ending July 25, 2020, whichever one comes first. You do not need to do anything additional to qualify for this payment; however, you must still continue to certify bi-weekly to receive the payment.

The \$600 FPUC payment will be retroactively paid for the week ending April 4, 2020. It is expected that payment of the additional \$600 will begin after April 10, 2020. To date, UIA has taken over 900,000 claims; therefore, please allow for up to 7 days to receive the additional payment before contacting UIA. You can monitor your account online through your Michigan Web Account Manager (MiWAM).

Thank you for your patience as we work to get you paid as soon as possible.

Check the Status of Your Payment

To check the status of your benefit payment, go to the Certification tab. Some of the statuses you may see are:

1. **Submitted** (questions have been answered for the requested week).
2. **Payment Issued** (this shows the date the payment was issued. It will reflect the payment amount paid each week after withholding and deductions (the payment will post to your chosen payment method in 7-10 days).
3. **Pending Payment** (payment will be released the next business day).
4. **Open Non-Monetary** (separation or eligibility issue is pending).
5. **Waived Week** (you answered you did not wish to claim benefits for the involved week).
6. **Reversed** (payment was returned due to closed bank account)
7. **Reissued** (payment method for returned funds has been updated and payment will be released)

Check your Eligibility or Disqualification Status

If there is a question about your eligibility to receive unemployment benefits, you may see the following under Determination Status:

Additional Claim Required - There can be several circumstances which your claim will close. You cannot just continue to certify; you must reopen your claim (file an additional claim). Some examples of why a claim will stop:

1. If a claimant is in continuous certification status and then stops because they have returned to full-time work.
2. If they have waived more than two weeks in a row.
3. If they indicate a separation or eligibility issue during certification.
4. If they have weeks in which their earnings are in excess of 1.5 times their weekly benefit amount (WBA).

Disqualified/Ineligible – Disqualified/Ineligible means not entitled to benefits. Check your correspondence for a letter explaining why the claim is disqualified/ineligible and the period of disqualification/ineligibility. If you disagree with the (re)determination, protest or appeal rights will be included in the letter.

Non-monetary issue –Whenever there is a separation other than a layoff, or an issue questioning the person's eligibility for benefits, UIA must investigate. This investigation is called a non-monetary issue.

Not Adversely Affected - you were found eligible or not disqualified for benefits. This means the non-monetary issue went in your favor.

Pending adjudication - means there is an open non-monetary issue to resolve. While the issue is pending, benefit payments are also pending. Monitor your MiWAM account regularly for updates and continue to certify.
